PROFILE SUMMARY

As an experienced web developer with 8 years of expertise in Web design, WordPress development, and Shopify, I specialize in creating visually appealing, user-friendly, and responsive websites. With strong communication skills, attention to detail, and the ability to prioritize tasks, I deliver exceptional work, whether working independently or as part of a team.

As a Project Lead at Ecompilot, I'm responsible for managing project timelines, ensuring code quality, and providing technical guidance to team members. I take pride in my ability to communicate effectively with clients and team members alike, and I'm committed to delivering high-quality work that meets or exceeds client expectations.

I'm passionate about staying up to date with the latest web development trends and technologies, and I enjoy collaborating with other developers and designers to create innovative solutions.

Additionally, I have experience as a professor or instructor at St. Rita's College of Balingasag, and currently, I balance my career as a part-time and full-time developer.

PROFESSIONAL EXPERIENCE

Part-Time Instructor / Professor
St. Rita's College of Balingasag – BSIT Department – Since August 2024 – Present

Currently working as a part-time instructor handling IT subjects for the Bachelor of Science in Information Technology (BSIT) program. I focus on delivering industry-relevant knowledge and skills in web development, cybersecurity, and systems design, helping students prepare for real-world IT careers.

Associate Web Developer – Team Lead
Ecompilot – Gold Coast, Australia – since Aug 2020 - Present

As a team lead for web development at Ecompilot, I lead a team of developers in delivering high-quality, customized websites to clients. My expertise in WordPress includes custom theme and plugin development, website design, and website optimization for speed and SEO. I'm familiar with all major WordPress page builders, including Elementor, Beaver Builder, and Divi, and have experience integrating WordPress websites with third-party tools such as WooCommerce, Mailchimp, and Google Analytics.

In addition to WordPress, I'm also experienced in building websites on the Shopify platform. I've created custom Shopify themes and apps, optimized Shopify websites for speed and SEO, and integrated Shopify websites with third-party tools such as Mailchimp and Google Analytics.

As a team lead at Ecompilot, I'm responsible for managing project timelines, ensuring code quality, and providing technical guidance to team members. I take pride in my ability to communicate effectively with clients and team members alike, and I'm committed to delivering successful outcomes.
